

My dear Students,

Wishing you a Very Happy New Year 2010.

I enjoyed my wonderful association with CRPF Public School for the last 22 years. This all had been possible due to the tremendous support and cooperation from the School Management, parents and above all, your regards, love and affection. It has always been our endeavor to give a formal shape to Old Students Meet and make it a regular annual affair.

As and when I meet my students who have passed in the previous years, they always express their desire to make this kind of a meet a regular feature. In consultation with some of the old students, it has been decided to hold this meet on 31/1/2010 at 11.00 am to 4 pm in the school.

All the old students are invited with their spouse and children to make it a really memorable event. I am sure that you will get yourself registered online to facilitate better organization and purposeful interaction.

With greetings and affection,

Yours affectionately

(Suraj Prakash)

Principal
